DIANA VISELLI

Diana Viselli is a professional instructor and choreographer based out of Toronto, Canada. Early on her dance development consisted of competitive dance training, Hip Hop pre-professional dance companies and the most memorable training at Edna Manley College of the Arts in Kingston Jamaica.

For the past 14 years Diana has taught, choreographed and successfully trained youth and children across Canada. She has choreographed for numerous foundations, events and industry shows including collaborations with Toronto Breast Cancer Foundation, Pepsi Canada, Lululemon Canada, Toronto Youth Day, Dusk Dances and City of Toronto's; City on the Move. She has choreographed opening performances for headliners including Cindy Lauper, Akon and Justin Beiber.

Diana was the founder and director of 180Arts, a dance and musical theatre production program for schools across Ontario. Funded by TD Canada Bank, her program had over 4,000 students participate in school wide musicals, flash mobs, charity dance-a-thons and dance workshops. Diana was nominated for RBC Women of Influence Award in 2018 for her entrepreneurship and contribution to dance education and the performing arts.

"I loved my time as a dancer on the stage, but more than anything my true passion continues to be working with students, watching them grow and strengthen their skills as dancers. Having an idea, a creative concept and seeing it come to life through passion and hard work is so rewarding."
